

Thank you for visiting Hogs Back Brewery today

1. Please scan in via Track & Trace (this is now voluntary, not mandatory, so we leave this to your discretion)
2. We will check you in at the entrance to the Kiln
3. Take your beer glasses from the table, and let us know which beer flagon you would like
4. Choose your table
5. The team will come and take your drinks and food orders from your table

Terms & Conditions

For the safety and comfort of all our customers and staff, we would ask you to observe the following:

- Although you don't need to wear a mask, it is preferable for the time being, in order to protect fellow customers except when you are outdoors or seated at a table. Our staff will continue to wear masks.
- If you feel at all unwell before or after you visit, please notify us.

Booking & arrival

Bookings are taken in advance online or in person at the door although space cannot be guaranteed.

Please wait at the entrance. You will be checked in outside the kiln taproom.

If you wish to check in through the NHS Track & Trace app, please do so.

Next you can choose your 3.5 pint Snorter already paid for with the booking and pick up glasses. Additional drinks can be ordered once you have chosen your table. Please do not take the snorters away at the end of the session.

All tables in the Kiln, Hangar and outdoors are available first come first served but we leave an allocation for Walk-Up guests at each session.

Food & Drink

- Once seated, a member of staff will come to your table to take drinks order
- When ready for food or further drinks please indicate to a member of staff to take your order from your table
- Payment will be taken from your table and contactless card payment would be preferred
- Only food and snacks purchased at the Tap may be consumed on site

Temporary loos are available and will be cleaned throughout the session. No smoking inside and please smoke away from other tables outside, in the designated area.

Children are very welcome if fully supervised by their parents. Dogs also welcome but need to be kept on a lead and please clear up after them.

Thank you for the support of your own local brewery and do please also support your local pubs in these challenging times...we now know how much we will miss them if they go!

Rupert Thompson, Owner, Hogs Back Brewery
